

41 Bergenline Avenue Westwood NJ 07675

Hi Sam,

I wanted to send you out this letter to thank you, Jerry and the whole LB Realty Team in helping me search for our location.

You made the selection such an easy and pleasurable experience, no hassles, your available times to take me out were always great. Your knowledge of the commercial space available in our target areas was second to none. Now combine that with knowing what our specific space requirements were produced a perfect location where I can run and hopefully grow my business in the years to come.

I will most certainly refer anyone to LB Realty and know quite confidently that they will receive the same impeccable service that I did.

I wish only the best to you and the rest of you group.

Best regards,

Ralph Trujillo
